MicRo-dent

•PRODUCT BULLETIN•

MicRo-dent is a specially formulated non-toxic liquid made from mint, unique oils, and naturally occurring bacteria used to treat garbage cans, trash dumpsters, and trash areas commonly visited by unwanted pests. The all natural formula has a pleasant odor and is not harmful to humans or animals. The natural mint fragrance is a deterrent while the naturally occurring bacteria can break down organic matter that causes mal-odor. Using MicRo-dent on a regular basis can keep your trash and dumpster area free of odor and pests.

APPEARANCE GREEN
FRAGRANCE MINT
FORM LIQUID
SHELF LIFE 24 MO/U.O.C.
pH 6.8 - 7.8
